

## HOT MELTER MACHINE DAR -500J

<b>Technical Data</b>	Gasoline Engine	Honda Series
	Hot melt tank(L)	500
	Burner Device	Riello Light Oil burner
	The Material Heating Time	45 minutes
	Temperature Control System	Omron automatic control, computer LCD screen
	Heating Mode	Indirect heating and heat conduction oil external oil circulating heating pump
	Mixing Way	Automatic continuously variable transmission
	Generator	2.3 kilowatt diesel
